WRITTEN IN THE  
LIKENESS OF MR T  
SO Y'ALL LISTEN,  
AND LISTEN GOOD.

DAMN

HANDS

A GUIDE FOR EVERYONE.

1

Listen up now,  
this is serious...  
**Wet yo damn hands and  
lather with soap**

2

The baddest cats around be  
**clean'n all surfaces of their  
hands for 20 seconds.** That  
includes **in-between yo fingers**

3

**Rinse that soap from  
yo damn hands under  
running water and  
air dry yo hands or use  
paper towel**

4

Think a minute before you leave. Did  
you **use paper towel or yo elbow to  
turn off yo tap?** I pity the fool who  
use they hands to turn off the tap! You  
cross contaminating!

**REMEMBER. IF YOU AIN'T SURE THEY DIRTY, WASH THEM ANYWAYS!**
